To Whom It May Concern

We appreciate you first for the excellent service HydroKleen Maldives offer in the air conditioning service industry and for the tremendous achievement your team has done within a very short span of entering the market.

During your service we have experienced the following:

- High standard Quality Service
- Unique system that addresses customers concerns especially the financial and health benefits and asset maintenance that comes with HydroKleen
- Friendly and professional Team

We strongly recommend the services of the HydroKleen Maldives and once again we acknowledge your quality service that offer each and every scheduled visit in our properties.

Sincerely,

Ibrahim Saleem
CEO
